Other Skills: DOM Manipulation, Debugging, Cross-Browser Compatibility, Local Storage, API Integration, Form Handling, WordPress Customization, Theme Customization, Plugin Configuration

PROJECTS

Intern Dashboard | PHP, JavaScript, JSON

GitHub: <https://github.com/mrunalimohite/intern-dashboard>

- Engineered a responsive dashboard featuring user authentication, referral tracking, rewards management, and activity logs

PHP CRUD App | PHP, MySQL, Bootstrap

GitHub: <https://github.com/mrunalimohite/php-crud-app>

- Implemented Create, Read, Update, and Delete (CRUD) operations for efficient database record management.

To-Do List App | JavaScript, Local Storage

GitHub: <https://github.com/mrunalimohite/To-DO-List>

- Implemented a task management application using JavaScript and Local Storage, featuring task creation, editing, deletion, and dynamic DOM manipulation.

Coffee Corner Cafe Website | WordPress, Elementor, Astra Theme, Contact Form 7

Live Demo: <https://coffeecorner.great-site.net/wp/>

- Designed and customized a responsive cafe website with contact forms, custom pages, and mobile-friendly navigation.

My Portfolio website | React, CSS, Javascript

Live Demo: <https://mrunali-mohite-portfolio.netlify.app/>

- A modern and responsive portfolio website showcasing my skills, projects, experience, and contact information.

EDUCATION

Master of Science (M.Sc.): Computer Science | 2025

University of Mumbai - Mumbai, India

Bachelor of Science (B.Sc.): Computer Science | 2022

University of Mumbai - Mumbai, India

EXPERIENCE

Web Developer Intern – Techkrafteries Digital | Mar 2026 – May 2026

- Developed 5 responsive websites and landing pages using HTML, CSS, JavaScript, PHP, and MySQL
- Built lead generation systems with contact forms, Google Sheets integration, and WhatsApp communication workflows
- Implemented backend functionality, database integration, and dynamic content management for business, real estate, and education websites
- Enhanced user engagement through responsive design, interactive UI components, and conversion-focused features
